HISTORIC BORROWER MAP

PARTICIPATION LENDING NETWORK

PCG’s participation network builds the capacity and expertise of CDFIs and investors committed to serving nonprofits and double bottom line businesses that promote community development. PCG’s model benefits our lending partners by:

- Providing access to broader pools of capital
- Enhancing ability to market larger loans and share risk
- Leveraging limited capital to better serve borrowers
- Building capacity through peer learning and information exchange

*all data as of 09/2022*
Partners for the Common Good brings more capital to communities through our national participation model. We co-lend on a pari-passu basis with other Community Development Financial Institutions (CDFIs) to provide capital to low-income communities. We will originate direct loans on a case-by-case basis.
